

# Video Portrait — Kenneth Reitz / Infinite State

2013

1 min read • 79 words

---

My good friend [John Mangino](#) of [KeyFrame Films](#) approached me recently about a new project — "video portraits" of humans from the Winchester, Virginia area. Here's the result of my interview — a candid conversation about software development and music production.

[Video available on Vimeo]

**Pub Trivia:** John is the owner of my old Canon 5D Mark II. It was used to capture this video.
