

# Unmastered Impulses

2016

1 min read • 59 words

---

The debut. 13 tracks, almost entirely analog synthesizers. The title is literal: these are unmastered recordings, raw signal from the machines. The imperfection is the aesthetic.

This album was made during the year of my [bipolar diagnosis](#). The music doesn't document the crisis directly, but the intensity is in there if you listen for it.
